

Dear Parents,

We invite you and your child to join us in an oral history project to celebrate our _____.
Specifically, we are looking for grandparents (or other elders) who grew up or have their roots in _____, and who still live near enough to come to your child's school for a half-hour interview during the week of _____.

Here's the exciting part—the person conducting the interview will be their grandchild! The interviews will be video-recorded and you will receive a copy on DVD to add to your family "scrapbook."
_____ Elementary School is partnering with _____ on this project.

Selected clips from the interviews will be used in a _____ video that will premiere on Kansas Day, and the interviews will be archived in a local library. If your family would like to participate in this opportunity, please complete the participation form and return it along with the signed release form to your child's school on _____.

Thank you,
